Governmental Ethics Commission Opinion No. 2004-11

Written June 17, 2004, to Richard A. Olmstead, Kutak Rock LLP, Wichita.

This opinion is in response to your letter of June 7, 2004, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the Campaign Finance Act (K.S.A. 25-4142 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 25-4142 *et seq.* Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion on behalf of former state legislator Carlos Mayans who is currently the Mayor of Wichita. You have explained that in 2002, Mr. Mayans transferred money from his Legislative campaign account (Legislative Account) to his Mayoral campaign account (Mayoral Account). After numerous court rulings, the Sedgwick County District Court required Mr. Mayans to place approximately \$30,000 of his own money in the Mayoral Account and imposed a temporary injunction on the Mayoral Account which prevents him from accessing, using or otherwise disposing of an amount of campaign funds relative to the amount of funds transferred from his Legislative Account to his Mayoral Account.

You have explained that the Kansas Supreme Court recently ruled that the Kansas Campaign Finance Act prohibits candidates from transferring campaign funds which were raised for one office to that same candidate's campaign account for a different office. The Legislature passed House Substitute for Senate Bill 376, a bill that would have rendered Mr. Mayans' transfer of funds from his Legislative Account to his Mayoral Account, permissible. Governor Sebelius, however, vetoed that bill. Therefore the Supreme Court's holding is still binding, and Mr. Mayans is uncertain how to treat the legislative campaign funds in light of the Supreme Court's ruling.

You have requested that this Commission assume, for sake of this Opinion only, that the injunction in the district court has been dissolved.

Question

What specific actions should Mr. Mayans take to bring his Mayoral and Legislative campaigns into full compliance with the Kansas Supreme Court's opinion and the Kansas Campaign Finance Act?

Opinion

In order to cure the error noted by the Supreme Court's ruling in *Cole v. Mayans*, ____ Kan. ___ (No. 89,715, December 12, 2003), Mr. Mayans will need to return from

his Mayoral Account, all the money he transferred from his Legislative Account. Although Mr. Mayans has already terminated the Legislative Account pursuant to K.S.A. 25-4157a(d), he must now re-open his Legislative Account and transfer back to that account, from his Mayoral Account, an amount equal to the money that was transferred out of the Legislative Account to his Mayoral Account. Once this has been done, Mr. Mayans may either retain the Legislative Account in case he chooses to run for the Legislature in the future, or he may close that account and distribute the funds pursuant to K.S.A. 25-4157a(d). It should be noted that the \$30,000 personal loan made by Mr. Mayans was, in effect, made to his Legislative Account. Any other personal loans Mr. Mayans may make to cover any deficiencies in the Mayoral Account, must be made to the Mayoral Account.

Opinion No. 2004-12

Written June 17, 2004, to all interested persons:

Pursuant to K.S.A. 46-254, the Kansas Governmental Ethics Commission takes this opportunity to issue its opinion on the interpretation of K.S.A. 46-269 and the records required to be retained by lobbyists.

Opinion

K.S.A. 46-269 states in pertinent part:

(f) All accounts, records and documents of the lobbyist which relate to every expenditure reported or which should have been reported shall be maintained and preserved by the lobbyist for a period of five years from the date of the filing of such report or statement and may be inspected under conditions determined by the commission.

K.A.R. 19-63-6 states:

Records in support of every report or statement filed shall be maintained and preserved by the lobbyist for a period of five years from the date of the filing of the report or statement and may be inspected by and under conditions determined by the commission. At a minimum, each lobbyist shall maintain the following records:

- (a) A detailed account of all lobbying expenditures, including:
 - the full name and address of the person to whom the payment is made;
 - (2) the purpose of the expenditure;
 - (3) the date of the expenditure, including both the date of contracting and the date of payment; and
 - (4) the amount of the expenditure;
 - (5) a bill, statement, contract or other documentation of the agreement between the parties; and
 - (6) the check or other instrument by which payment was made.

The question has arisen as to the nature of the records and documents required to be retained by lobbyists with regard to expenditures for food or beverages provided as hospitality. The Commission now determines that each lobbyist shall maintain, at a minimum, the following records in support of every expenditure for food or beverage provided as hospitality:

- (1) A detailed vendor receipt or invoice which contains the following information printed by the establishment on the vendor receipt:
 - i) the date when such food or beverage was provided;

- ii) the place at or from which such food or beverage was provided;
- iii) the total cost of the food or beverage provided;
- iv) an itemization showing the items purchased.

If it is the vendor's policy not to provide a detailed receipt listing the items required in this subsection to any of its customers, the lobbyist must make a contemporaneous writing showing the items required in this subsection and noting the establishment's policy against providing such receipts; and

(2) a contemporaneous writing showing a complete list of all participants consuming the food or beverage.

Opinion No. 2004-13

Written June 17, 2004, to Jennifer Wesco, Program Consultant, Kansas Arts Commission, Topeka.

This opinion is in response to your letter of May 26, 2004, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you are asking for this opinion in your capacity as a program consultant for the Kansas Arts Commission (KAC). You are also the Executive Director of Music Access, a Lawrence based non-profit corporation. One of your duties for the KAC is to evaluate and make funding recommendations to the Executive Director and the Commission regarding funding decisions for organizations applying to the KAC grassroots and technical assistance programs. You have explained that Music Access would like to apply for the grassroots and technical assistance grants. The grant applications will be submitted to the KAC by a board member of Music Access, and you will have no participation as a state employee in any part of the Music Access grant applications.

Questions

Is it a violation of the State Governmental Ethics laws for an organization you are employed by to request a grant from a State agency by which you are also employed?

Opinion

K.S.A. 46-233 applies to your question. It states in pertinent part:

(a)(1) No state officer or employee shall in the capacity as such officer or employee be substantially involved in the preparation of or participate in the making of a contract with any person or business by which such officer or employee is employed....

Pursuant to this provision, you are prohibited, as a state employee, from being substantially involved in the preparation of, or participating in the making of, a noncompetitively bid contract or grant with Music Access. Because you will not participate in any way in the grant process, there is nothing in the governmental ethics laws

(continued)

that would prohibit Music Access from applying for a grant from the KAC. It should be noted that any participation in your official capacity in the making of such a contract would constitute a violation of K.S.A. 46-233.

Opinion No. 2004-14

Written June 17, 2004, to William N. Sanders, President, Sanders Management Consulting, Lawrence.

This opinion is in response to your letter of May 25, 2004, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as a former state employee and as the current President of Sanders Management Consulting (SMC). You have explained that until January of 2003, you were the Director of Employment Security and the Chief Information Officer for the Kansas Department of Human Resources. During your tenure, the Department used the State's master convenience contract for information technology consultants to issue a series of task orders to a company called Accenture. The last task order was signed in March 2002, with the work ending in May 2002. Accenture has recently contacted SMC regarding work as a subcontractor on two upcoming projects.

Question

May SMC accept work as a subcontractor for Accenture without violating K.S.A. 46-233?

Opinion

K.S.A. 46-233 applies to your question. It states in pertinent part:

(2) Except as otherwise provided in this subsection, whenever any individual has participated as a state officer or employee in the making of any contract with any person or business, such individual shall not accept employment with such person or business as an employee, independent contractor or subcontractor until two years after performance of the contract is completed or until two years after the individual terminates employment as a state officer or employee, whichever is sooner.

Pursuant to this statute, SMC may perform work as a subcontractor for Accenture because it has been more than two years after performance of the contract was completed.

Opinion No. 2004-15

Written June 17, 2004, to the Honorable Larry D. Salmans, Kansas State Senator, Hanston.

This opinion is in response to your letter of June 1, 2004, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the Campaign Finance Act (K.S.A. 25-4142 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 25-4142 *et seq.*

Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as a Kansas State Senator. You have explained that for 8 years you have been, and continue to be, the Senator for Senate District 37. In 2002, the Kansas Legislature enacted a reapportionment plan which resulted in the redistricting of several districts. Your district remains substantially the same, but has been renumbered to District 36. You question whether, in light of the Kansas Supreme Court Opinion in *Cole v. Mayans*, ____ Kan. ___ (No. 89,715, December 12, 2003), you may use the campaign finance money you have collected as an incumbent Senator for District 37 in your upcoming race for the new Senate district number 36.

Question

May an incumbent Senator use the campaign finance money in his current campaign finance account for his current district in an election for the same geographical Senate seat when the district number has been changed due to reapportionment?

Opinion

The Kansas Supreme Court recently ruled that the Kansas Campaign Finance Act prohibits candidates from transferring campaign funds which were raised for one office to that same candidate's campaign account for a different office:

We hold that the Campaign Finance Act and the related regulations, when coupled with the purpose for the Campaign Finance Act, must be construed to limit the transfer of campaign contributions from a candidate's campaign account for a specific office to the same candidate's campaign account for election to that same office. Thus, there are only two situations in which the transfer can be made. The first is when an incumbent runs for reelection to the same office. The second is when a candidate loses an election for a specific office but seeks election to the same office in a subsequent election. (Emphasis added.) Cole v. Mayans, _____ Kan. _____, (No. 89,715, December 12, 2003).

The question thus becomes what is meant by the term "same office." The Commission now determines that when an incumbent Senator runs for re-election to a Senate district which contains substantially the same geographical area as his current district, but whose district number has been changed due to reapportionment, he is running for the "same office." It should be noted this Commission is not addressing the situation where an incumbent senator or a candidate who has previously lost an election to a specific district chooses to run for a Senate seat in a completely different district. This is a question that should be addressed in a subsequent opinion request.

Therefore, you may use the campaign finance money in your current campaign finance account for district 37, to run for election to the Senate in Senate district 36.

Notice to Bidders

Sealed bids for closed circuit television (CCTV) camera implementation, KDOT Project No. 46N-0214-01, OP Project No. PE-0004, will be received by the city of Overland Park, Kansas, at the office of the city clerk, City Hall, 8500 Santa Fe Drive, Overland Park, KS 66212, until 2 p.m. local time August 10, 2004. At that time all sealed bids will be transferred to the City Council Chamber, City Hall, where they will be publicly opened and read aloud. Any bid received after the designated closing time will be returned unopened.

All bids shall be submitted in sealed envelopes addressed to the city clerk of Overland Park, Kansas, and marked "Bid For: Closed Circuit Television (CCTV) Camera Installation, KDOT Project No, 46N-0214-01." Copies of plans, specifications, bid documents and other contract documents are on file at the office of the city traffic engineer located at City Hall, 8500 Santa Fe Drive, Overland Park, KS 66212. Contractors desiring the contract documents for use in preparing bids may obtain a set of such documents from the city traffic engineer upon payment of \$40.00, which amount is not refundable.

Contractors should read and be fully familiar with all contract documents before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith, that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work.

Should a bidder find "defects" as defined in paragraph GC-3 of the General Conditions, it shall follow the procedures outlined in paragraph GC-3 to bring same to the attention of city. Changes necessitated thereby shall be in the form of addenda issued by the consulting engineer.

All bidders shall verify that they have considered all written addenda. Neither the city nor the consulting engineer shall be responsible for oral instructions.

Any written addenda issued during the time of bidding shall be covered and included in the bid. There will be no clarifications or exceptions allowed on the bid. Bids are for a total bid package, total contract price.

Bids shall be made upon the form provided in ink or typewritten. Numbers shall be stated both in writing and in figures, the signature shall be long hand, and the complete form shall be without alteration or erasure. On alternate items for which a bid is not submitted, a written indication of "no bid" on the bid form is required.

No oral, telegraphic, facsimile or telephonic bids or alterations will be considered.

The following items must be included in the sealed envelope with the bid:

a. Bid.

b. 5 percent bid security — bid bond, cashier's check or certified check (see below).

Each bidder shall file with its bid a bid bond, a cashier's check or a certified check drawn on any acceptable bank, made payable to the city of Overland Park, Kansas, in an amount of not less than 5 percent of the total bid, which shall be retained by the city of Overland Park until a contract for the project has been executed. Bid bonds will be returned to the unsuccessful bidders, with the exception of the second qualifying bidder, at such time as their bids are rejected. The bid deposit of the successful bidder and the second qualifying bidder will be returned when satisfactory bonds in an amount equal to 100 percent of the contract amount, required insurance certificates, and other required documents shall have been furnished and the contract documents have been executed.

In the event the successful bidder is unable to execute the contract, for whatever reason, the city may exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk, prior to the time and date for bid opening, provided, however, that no bidder may withdraw its bid for a period of 30 days from the date set for the opening thereof. All bidders agree that rejection shall create no liability on the part of the city because of such rejection. It is understood by all bidders that an unsuccessful bidder has no cause of action against the city for bid preparation costs. The filing of any bid in response to this invitation shall constitute an agreement of the bidder to these conditions.
